Winter Fun, Caribbean Sun Family Building Challenge!

Your
Family could win
a Caribbean Cruise on
Norwegian Cruise Line!

Calling all LEGO® Families!

This holiday season, we've got a LEGO Family challenge for you with a once-in-a-lifetime vacation prize! We want you and your family to get together and build a winter holiday scene, object or character using your LEGO brick collection. Our three favorite creations (one from each child age category) will each win an incredible Caribbean family cruise from Norwegian Cruise Line! You'll have fun in the tropical sun – and like most Norwegian Cruise Line cruises starting in 2009, you'll even be able to take part in LEGO activities right on your ship!

Go to www.LEGOclub.com for a Contest Entry Form and Complete Rules.

NO PURCHASE NECESSARY. All entries must be received by midnight EST January 3, 2009. Other void where prohibited or restricted by law. There are three parts to this contest: 1) Build a Winter Building themed model using only LEGO® pieces. Make it as big and as creative as you want! 2) Then, take a color photograph of your model – only color photos and glossy prints qualify; print-only will be accepted. 3) Then, write an essay of 50 words or less describing your model. When you submit your entry, be sure to include the name of your model, and your own name, age, mailing address and daytime telephone number. You can submit up to 3 entries – for each entry, you need to have a separate photo and essay. Submit your entry (don't send your photo) to LEGO® Holiday Building Challenge, PO Box 1622, Exton, PA 19341-1622. We will receive any property of any kind. Incomplete entries will not be eligible to win. Sponsors of Norwegian Cruise Line, The LEGO Group, their parents, affiliates, subsidiaries, advertising, promotion and publicists agencies and members of the immediate family and household of each are not eligible. Entries will be judged based on originality (25%), creativity (25%) and essay (25%). Three (3) first prize winners will be selected from all eligible entries. There will be one first prize winner in each age category. The age categories are: Ages 5-8, Ages 9-14, and Ages 15+. Estimated total retail value of each prize is \$2,500. All winners will be notified by regular U.S. mail. NCL reserves the right to withdraw prizes at any time or without notice. The LEGO Group and its affiliates and subsidiaries are not responsible for late, lost, misdirected or damaged entries. All entries become the property of The LEGO Group and will not be returned. By participating in this contest, entrants agree to be bound by the official rules and decisions of the judges. By acceptance of prize, winners consent to the use of their name for future entry materials in any manner by NCL or LEGO for advertising/trade without further compensation unless prohibited by law. By accepting any prize, winners agree to keep NCL and LEGO informed of any and all claims, damages, injury caused or liability related to the administration of this contest. Participation in this promotion and/or the use in redemption of a prize, for complete rules and an entry form, visit www.LEGOclub.com or www.NorwegianCruise.com and type in CLBC code 000000.
